US FWS administrative costs: \$39,000,000 (3%)

Total Amount Allocated: 1,300,000,000 (100%)

*Funds are allocated to states using a formula based on one half land area and one half population size. No state can get less than 1% or more than 5%.

* Non-federal match can be in several forms, including but not limited to in-kind contributions, private donations, general funds allocated from the state, and/or funds leveraged from private academic institutions at the discretion of the state in question.
