

152nd ANNUAL MEETING

Spokane

AUGUST 21-25, 2022

Step into the Spotlight: Sponsor or Exhibit!

Showcase your organization while supporting the largest and most important gathering of fisheries scientists, managers, and students. The AFS Annual Meeting is a popular annual destination for decision-makers representing all facets of fishery management and aquaculture.

Attendees represent academia, government, and industry.

**Sponsorship levels vary in cost, exposure, and exclusivity.
Packages are both affordable (\$500+) and robust!**

- **More than 1,200 in-person attendees expected**
- Advanced and late-breaking science in abstracts, plenaries, and symposia
- Hours of continuing education, workshops, and job skills training
- Exciting information, technology, and products presented in the **AFS Center for Fisheries Technology and Collaboration**
- Opportunities for student participation, mentorship, and networking!
- AFS is home to **more than 7,500 fisheries scientists; +2,300 active members in the Western Division.**

Exhibit: AFS Center for Fisheries Technology and Collaboration

Commercial Exhibitors \$1,950.00 per booth

Crafters and Nonprofit \$650 per booth

Tech Sessions \$2,000
