AFS Section and Chapter Price Sheet

We encourage you to enhance your membership by joining your local Chapter or one of AFS's specialized Sections—communities that connect you with professionals who share your interests and passion for a particular niche in fisheries.

You can add Sections and Chapters when you first join AFS. If you're already a member, you can add a Section when you renew. To update or change your Chapter before renewing—or to add a Chapter or Section after your renewal—please contact our membership team (Kelly Kotche or Mia Ferguson) at membership@fisheries.org. These changes can't be made directly in your account, but we're happy to help by phone or email.
