

AMERICAN FISHERIES SOCIETY

# Strategic PARTNER PROGRAM

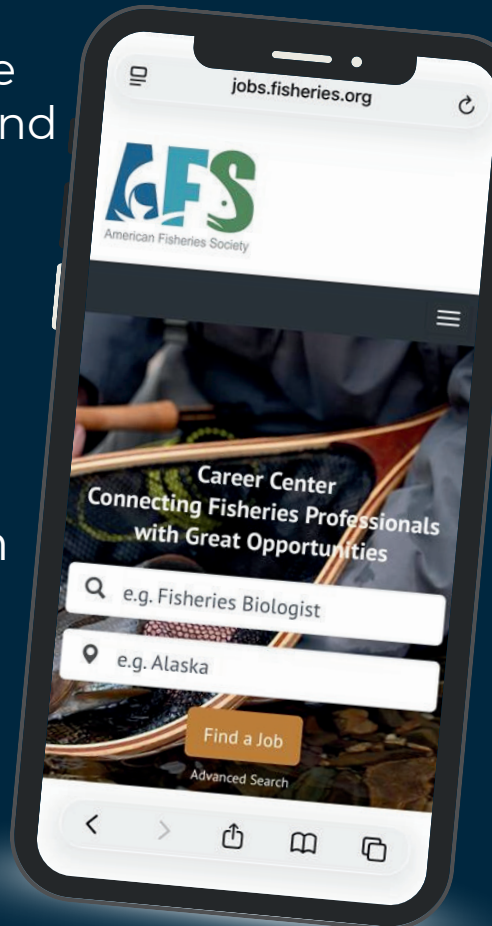

Offering high-impact, year-round investment opportunities for organizations, tailored for partners seeking deeper engagement, greater visibility, and meaningful involvement in fisheries science, policy, and workforce development.

## *Designed for you*

These packages are designed to align with the diverse needs and capacities of both private and public sector organizations. Tailoring each package allows engagement at a level that matches strategic goals and resources.

## *Packages can include :*

- Continuing Education Resources
- Professional Development | Brand Promotion
- AFS Books | AFS Journals | Job Postings
- Annual Meeting | Memberships
